

Remember

SRPMIC Recycles

These items are recyclable:

Glass

Bottles & jars with no lids or caps (green, yellow, amber, clear)

Plastics

Containers with emblem 1—7 with no lids or caps (2-liter bottles, water bottles, detergent bottles)

Paper

Copy & office paper, junk mail, newspapers, phone books, shredded paper in clear plastic bags and tied

Aluminum & Metal

Beverage cans, aluminum foil, tin food cans, foil food containers (frozen dinner trays & pie plates)

Cardboard

Dry food boxes such as cereal, cake mix, cracker (remove plastic liners), soda cases, packing boxes

Aseptic Containers

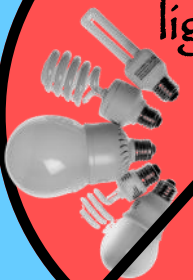

Many of the refrigerated liquid containers such as juice, milk, cream cartons and boxes

These items are **NOT** recyclable:

Fluorescent light bulbs

Bulbs & tubes of any size should NOT go in the trash. Take them to a recycler (Home Depot or Public Works).

Batteries

Batteries of any size should NOT go in the trash. Take them to a recycler (Home Depot or Public Works).

Tissue Paper

Tissue paper of any kind is NOT recyclable! Throw them in the trash. That includes face tissue, napkins and paper towels.
